C-D-F Honors Local Employees At 8th Diamond Club Banquet

Three Members Added To Quarter-Century Club of C-D-F
Newark Plant For Total Membership Of 123, Including
1 Pensioners; Officials Laud Veterans For Service

Three new members were added to the Diamond Club of the C-D-F Fibre Corporation's Newark plant at the eighth annual testimonial banquet held at the Newark Club on Wednesday of last week.

The club has a total of 123 members with 25 or more years of service, with 44 pensioners.

Company officials lauded the veteran employees, with

Official Retires

William F. Cann

Twenty-seven years U. S. Government service, 19 of which were spent as a commissioner with the Federal Mediation and Conciliation Service, ended last week for Commissioner William F. Cann, 192 Orchard Road, in Newark.

A 1915 graduate of the University of Delaware, he joined the Federal Mediation and Conciliation Service in 1940 and has served as commissioner and acting regional director since that date.

Mr. Cann was honored recently at a testimonial banquet at Atlantic City, and presented with a bronze plaque commending his success in settling labor-management disputes, and with a gold watch.

His service includes Army duty in World War I as a captain in the 50th Pioneer Infantry, Delaware's own regiment, in the Works Progress Administration as deputy administrator for Delaware, and as labor advisor for Region I.

New Beauty Salon Opens For Milady At Park 'N' Shop

Something new for milady of Newark has been added with the opening of the AFJ Beauty Salon, Inc., at the Park 'N' Shop Center on Elkton Road.

Beautyician Anthony, Frank and Jay, who also conduct a beauty salon at 1014 Delaware Avenue in Wilmington, have expanded their business of beauty to include the Newark area with their new 60x15-ft. modern salon at the Park 'N' Shop Center.

The Newark salon features 30 dryers, with complete and modern equipment in a gray and buff pastel shop color motif, fluorescent lighting, and black and white asphalt tile floor.

Frank, who represents the middle initial in the firm name, is conducting the Newark AFJ Beauty Salon, assisted by Doris Benson of Wilmington, and Janet Windsor of Newark.

The new beauty salon is open daily from 9:30 to 5:30, Monday through Saturday, and on Wednesday, Thursday and Friday evenings until 9.

Opening specials are offered through Oct. 31, including permanent waves, hair cuts, hair conditioning and styling, and lanolin shampoo.

SCHOOL BOARD MEETING. The public is invited to attend the regular monthly meeting of the Newark Board of Education next Tuesday at 7:30 p.m. in the Main Street School Administration Building.

Student Teachers Find Sense Of Humor As Requisite In Classroom Assignments

It takes a sense of humor as well as academic preparation to be a teacher.

University of Delaware students participating in the statewide student teacher program are quick to learn this fact that most experienced classroom mentors already know.

When, for example, one of the participants in a fourth grade spelling bee disappears and all that remains are two arms, two legs and the top of a head protruding from the classroom wastepaper basket, the student teacher must take it in stride and help to release the unfortunate victim.

Students returning to the university campus after eight weeks in one of Delaware's schools report that student teaching is a strenuous, sometimes trying, but always rewarding experience.

Last year more than 80 per cent of the university's teacher graduates accepted jobs within the State of Delaware and are now performing professionally the work they first encountered as student teachers.

Local Man Issued Patent For Novel Chemical Process

Eugene H. Man Awarded
Patent For Manufacture
Of Sulfur Hexachloride

Eugene H. Man of Newark, was the recipient on Sept. 15, 1959 of U.S. Patent 2,904,476, entitled "Electrolytic Preparation of Sulfur Hexachloride."

Sulfur hexachloride is a highly inert, colorless, odorless gas, unaffected by contact below a red heat with a variety of chemicals including oxygen, copper, magnesium and other metals. Because of its resistance to attack, sulfur hexachloride is employed commercially as an insulating medium for electrical equipment, and is used as a refrigerant and as a propellant for insecticides.

Sulfur hexachloride may be produced by direct combination of sulfur and fluorine. However, such a process requires the handling of fluorine, an irritating, poisonous and highly reactive gas which presents problems.

It also has been proposed that sulfur hexachloride be prepared by electrolysis, in which an electric current is passed through a liquid chemical composition and causes such changes that the desired product is produced. However, these procedures have been such that it is desirable to find new methods for manufacturing sulfur hexachloride.

To meet this need, Eugene Man has developed a novel and improved process of preparing sulfur hexachloride.

In accordance with his invention, a direct electric current of at least eight volts is passed through a liquid mixture of hydrogen fluoride and sulfur tetrafluoride. The process of electrolysis is carried out at temperatures below 32 degrees F. and in a manner that avoids detectable free fluoride. Subsequent procedures result in sulfur hexachloride of high purity.

In his patent specifications, Mr. Man describes in detail the apparatus, materials and operating conditions employed in his invention, citing a specific example of effective results.

This patent has been assigned to E. I. du Pont de Nemours and Company.

Local Living Congress Aided By Local Woman

Ten members of the McCauley Congress for Better Living expressed their views of cooking and menu-planning last Monday at the Glen Hope home of Mrs. Raymond Castle at Oxford, Pa.

Mrs. William Graves of Newark was chosen as a member of the congress to aid McCauley Magazine in advising economists, manufacturers, and journalists.

Navy OCS Graduate

Rodney H. Dann, Jr., son of Mr. and Mrs. Jack R. Dann, is a graduate of the University of Delaware.

Graduating Sept. 23, from the Navy's officer candidate school in Newport, R. I., and commissioned an ensign in the U. S. Navy, Rodney H. Dann, Jr., is the son of Mr. and Mrs. Jack R. Dann of 189 West Main Street, Newark, and husband of the former Miss Hester J. Walton of Newark.

Ensign Dann is a graduate of the University of Delaware.

UDG Children's Theatre Stars

Members of the cast for the University Drama Group's first production of the season—"Kings in Nomandia," a children's theatre play directed by Ed Mullen, which was offered last Friday and Saturday at Mitchell Hall—(left to right, front row) are: Phyllis Miller, Ed Berg, Chip Andersen, Dave Foster, and Sandra Kaufman. Back row: Cora Sue Leigh, Jay Mahanna, James Dearing, and Jeffrey Miller.

"Kings in Nomandia" will be presented next Saturday at Faulk Road School, and on Oct. 17 at the Tower Hill School.

Football Frolics Planned This Weekend To Launch Program Of Newark Cotillion

The Newark Cotillion is beginning this year's series with the Football Frolics, to be held at the Newark Country Club next Friday and Saturday. The junior group will frolic Friday evening, and the seniors on Saturday, to the music of the Sparkletones. Roger Holmes will be master of ceremonies for both groups.

Many novelty dances have been suggested by the cotillion youth committees. This is the second year that the senior group have had a youth committee, but it is an innovation this year for the juniors. Both committees are helping to plan and carry out the football theme in decorations under the direction of Mrs. G. R. McCauley.

Mrs. E. V. Lewis has planned refreshments to be served at intermission.

Mrs. Howard Haubert, sponsor of the senior youth committee, entertained the group at a buffet supper last Sunday evening.

Carl Rice is chairman of the senior committee which includes Donna Cage, Patricia Weger, Charles Eller, Volo Houle, Howard McNeely, Marianna Kacena, Mary Meade, Alan Adams, Guy Johnson, Ben Moore, Norman Neide, Margaret Hauwein, Jean Reinhardt, Andrew

Alan Adams Named Class President For NHS Seniors

Alan Adams, son of Mr. and Mrs. Wallace J. Adams, has been elected president of the Senior Class at Newark High School. A scientific student and a member of the Senior Honor Society, Alan represented Newark as an American Field Service student last summer in Greece. He was president of the junior class, and is a varsity basketball player.

Kenny Burke, daughter of Mr. and Mrs. Merritt Burke, was elected vice-president. Kenny is a cheerleader, a member of the Senior Honor Society, and active in hockey and basketball.

Brenda Freed, daughter of Mr. and Mrs. Jack R. Dann, was one of the girls to represent Newark High School at annual Girls State last June. She is a member of the Kraween staff and Senior Honor Society.

Bill Neide, varsity football player and an active member of H-Y, was named treasurer. He is a son of Mr. and Mrs. J. Francis Neide.

Class advisors are Robert Chambers and Maurice Field.

First Graduating Class!

Last year, 818 new Lions Clubs were organized, including the new club at Townsend, Del. Each club in District 22-D is being asked to secure three new members in October.

Members of the local club were reminded that the Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social, and moral welfare of the community and nation.

Alice P. Smyth YWCA Center To Observe First Anniversary At Monday Luncheon

The Alice P. Smyth YWCA Center in Newark, which will be one year old next Monday, and a public "birthday" luncheon will be served at 12:30 p.m. in the Newark Country Club.

Mrs. Paul E. Pfeutze, vice president of the YWCA in the United States and chairman of the southern region of the YWCA, will be the guest speaker.

When the Smyth Center opened for classes last October, it had 230 registrants. This year, that number has almost doubled.

Renovations have been made to the building to accommodate increasing numbers of participants. An activity room has been added, which is used for luncheons, classes in art, sculpting, furniture refinishing, trim gym, bridge, and dancing.

Edward B. Cooper Cites Park Needs At LWV Meeting

League Of Women Voters
Warned Of Diminishing
Parksites In Local Area

"The wide open spaces are fast disappearing in New Castle County, and prompt action may be needed if park areas are to be salvaged," the Newark League of Women Voters was told at its annual meeting last Thursday night, by Edward B. Cooper, a member of the New Castle County Park and Recreation Committee and the Citizens Committee for Parks.

It may be desirable to establish all of northern New Castle County as a park district, Cooper said, adding that a referendum to accomplish this may be called for in 1960.

Mr. Cooper, a DuPont scientist, is director of the Newark Recreation Association, and chairman of the mayor's swimming pool committee in Newark.

Cooper stressed that many areas are no longer available and that only the large park district would have the financial base for acquiring remaining large tracts in strategic locations.

Mrs. Joseph R. Perkins, president of the Newark League of Women Voters, presided at the dinner attended by 80 persons.

The speaker was introduced by Mrs. Edward H. Lake.

Mrs. E. Wakefield Smith was in charge of the dinner.

District Governor Visits Lions Club At Local Meeting

District Governor Constant J. Briggs, New Castle, made his annual visit to the Newark Lions Club at the regular meeting of the local club on Tuesday of last week.

As district governor he is responsible for the leadership of the 30 Lions Clubs in Delaware which constitute District 22-D of Lions International.

On his visit to the Newark club, Gov. Briggs was accompanied by members of his official cabinet: Fred Hughes, deputy district governor, New Castle; Nick Fidance, district secretary-treasurer, Bear; and Ed Thompson, zone chairman, of Brookside.

Constant J. Briggs

Governor Briggs congratulated members of the Newark Club for their record of 30 years of service in promoting civic and welfare projects. He said that they should be proud of their membership in Lions International which now has clubs in 101 countries or geographical locations, with a total membership of 89,000.

Last year, 818 new Lions Clubs were organized, including the new club at Townsend, Del. Each club in District 22-D is being asked to secure three new members in October.

Members of the local club were reminded that the Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social, and moral welfare of the community and nation.

United Fund Drive Scheduled To Begin Monday For Newark

Campaign To Open With Solicitation Of Small Businesses
With David McMillan, Chairman; Service For Six New
Agencies Increase Total Fund Demand By 27 Per Cent

The United Community Fund campaign will open here next Monday, with solicitation of small businesses and retail establishments, David McMillan, Newark manager of the Bank of Delaware, has been named chairman of solicitation for the Newark-Newport Area 30.

The 1959 theme "Give Big—Help More," was interpreted to the assembled account representatives this week by Peter

Education Consultant

Blanchard, a DuPont engineer in the design section at the Levers Building. An active worker and account representative instructor for the past three years, Blanchard traced the history of the United Community Fund from 28 agencies in 1938 to the current 34, representing six new agencies.

For the first time, the CYO, Catholic Welfare Guild, Jewish Community Center, Jewish Federation and Welfare Society, and Home for Jewish Aged are part of the one-fund drive.

To meet the needs of the previous agencies and the new ones, a 27 per cent increase in fund total will be needed this year.

"A City Wakes Up" was shown to the groups. Depending on 30 agencies included in the campaign, the film pointed out services rendered to those seeking help, medical, curative, travelers aid, social work, recreation, adoption services, and "just plain concern and friendliness" were portrayed.

Mr. Blanchard concluded by saying that the "Red Feather" dollar buys more than any other investment. "Ninety-four cents goes directly to the agencies while only a low six cents is needed to conduct the campaign and administer the fund."

Local Service

General Chairman S. McGill Galloway, Division III of the United Community Fund Drive, pointed out that eight agencies provide direct service to the Newark area.

The Newark Recreation Association provides its full services and efforts for the greater Newark area, the YMCA and YWCA have branch offices in Newark; while Goodwill Industries and Family Service also provide local services.

Boy and Girl Scouts have extensive programs here; the Visiting Nurse Association serves the Newark area.

Benjamin Knepper, ass't executive director of the United Community Fund of Northern Delaware, gave the volunteers information on techniques to be used for the campaign.

Employers are being urged to set up payroll deduction plans to facilitate giving, and emphasis again is being placed on giving at place of employment.

A "very limited" residential campaign will be carried out.

Employers in the small business section are encouraged to have their employees contribute in addition to business firm donations.

Newark Teams

McMillan has announced campaign teams with Captain Glenn Frazer, Ted Bontin, Allen Stafford, and Ralph Hostetter; Capt. Alex Bodak, William Whitman, Thomas Kohler, and Walter Seidel; Wallace Butlerworth, Capt. William Ritchie and Alan Smith; Captain Harold Swendsen, George Policastro and Stewart Millard.

Captain Warren Anderson, Robert Kemmer, Francis McCann, Jr., Robert Hunnold, William Murray, and Richard Austin; Captain John Murray, Robert Pilnick, Herman Handloff, Dorothy Milkin, and W. C. Brooks; Captain Benjamin G. Scott, and Frank Moore; Captain Roger Watkins, Luther Abbott, Howard Peterson, Victor Ewing, Robert Sheaffer, and Simon Steinberg.

First Bar Mitzvah Conducted In Area For Jewish Youth

Ira Lee, son of Chief Petty Officer and Mrs. Charles Lee Riddle, of 817 Shue Drive, Todd Estates, was confirmed in a service led by Rabbi Martin Chary of Germantown, Pa., last Saturday, on Rosh Hashanah, the Jewish New Year.

The Bar Mitzvah ceremony marks a Jewish boy's 13th birthday, the age of responsibility and religious duty, when he assumes the obligations of observing all commandments incumbent upon Jews, and is considered a full-fledged member of the Jewish community.

Ira read in Hebrew a portion from the Torah, the Five Books of Moses. The first Bar Mitzvah conducted by the Newark Jewish Community since its inception six years ago, was held at the Community Building at 29 Carole Road, Chestnut Hill Estates.

Aptitude Tests Presented Seniors At Newark High

The Delaware State Employment Test was given Monday to 65 Newark High School seniors who expect to go to work immediately after graduation.

Director Margaret Seitz, psychologist from the Delaware State Employment Service, administered the test which is offered all Delaware high schools.

Consisting of scholastic aptitude, performance, general ability, clerical and manual dexterity, the test is designed to analyze abilities of students for particular jobs.

A summary of aptitudes and abilities will be presented each student.

Delaware Food Market Report

By Anne Holberton

U. of D. Agricultural Extension Service

Large displays of apples and grapes emphasize that fall is here. Harvesting of Delaware apples has already started and from the look of things there are, and will be, plenty of apples to buy this fall. The peak of supply for Delaware apples will be within the next week. Supplies of locally-grown apples will continue good until January, however.

Varieties that are particularly abundant are Golden Delicious, Red Delicious, Stayman and later on, Rome. Other apples on the market are McIntosh, Jonathans and Green-logs—and all are good.

The quality of most apples is good to excellent, and prices are reasonable.

Grapes to check this weekend are Tokas, Thompson Seedless, and Concord. These are plentiful now; quality is good, and prices low.

Other fruits on the good buy list this weekend are: grapefruit, as low as six for 33 cents in some stores; Valencia Oranges, three dozen for \$1; lemons, 39 cents a dozen; melons particularly honeydew, averaging 34 cents; and Western Cantaloupes three for \$1.

IT'S THE CHERRY THAT MAKES THE DIFFERENCE!

What's the difference between a good kumquat and a mediocre one? Why, the cherry, of course. The little extra touch that makes a tidbit a treat.

In dry cleaning, too, it's the cherry that makes the difference. The little added touch of extra attention that changes a good cleaning job to a superb one. You'll see what we mean when you have your cleaning done by the "cherry experts" of M&M.

More fall and winter vegetables are arriving at local markets each day. Sweet potatoes are plentiful now, and deserve special attention. Quality is good to excellent, and prices low, averaging three pounds for 22c. These potatoes not only contribute color and distinctive flavor to meals, but supply vitamins.

White potatoes, winter squash, carrots, yellow onions and green beans are vegetables to check since all are good buys this week.

The meat picture is very much as it was last week, with a fairly wide variety of meats to choose from. Weekend specials remain the best opportunity to save money. Many beef cuts are featured again this weekend. Lamb is a good buy. Remember, lamb is not made up of leg-of-lamb and rib chops. Try some of the less known cuts and you are equally good and cost a great deal less.

State Pharmacists Honored By Boggs With Proclamation

"Pharmacy Week" and "Emergencies Don't Wait Week" are currently being observed in Delaware by proclamation of Governor J. Caleb Boggs.

In proclaiming the period Oct. 4-10 as "Pharmacy Week," the chief executive referred to Delaware's pharmacists as "indispensable members of the health professions which safeguard the well being of our citizens" and called attention to the fact that National Pharmacy Week is observed as a means of "focusing attention on the importance of pharmacy in our lives."

After urging Delawareans to visit neighborhood drug stores during Pharmacy Week, Governor Boggs recommended that Delawareans also observe "Emergencies Don't Wait Week" during this same period by obtaining from the pharmacists all first-aid supplies needed to cope with the many accidents which he said "can—and often do—occur in the home."

Men's Fellowship Plans Dinner At St. Andrew's

The Men's Fellowship of St. Andrew's United Presbyterian Church in Brookside will hold a dinner meeting next Monday at 6:30 p.m. with Howard S. Green, first vice-president of New Castle Presbyterian Men, as guest speaker.

Districts I and II of the New Castle Women's Presbyterian will meet at St. Andrew's Church next Tuesday, with the morning program beginning at 9:30, to include a social hour and workshops.

After a box lunch, the afternoon schedule will feature Mrs. Hugh Kelley of Philadelphia as principal speaker.

Delaware ROTC Cadets Introduce "New Look"

The University of Delaware ROTC brigade will introduce the "new look" this fall. This year's brigade will step off with the entire corps of cadets bedecked in the new army green uniform.

Leading this year's cadet corps will be Cadet Lieut. Col. Thomas L. Gutshall, Huntington, Pa., newly appointed brigade commander.

Lieut. Col. Gerald H. Ragsdale, professor of military science and tactics, has appointed William B. Holland, Newark, as brigade executive officer and cadet major.

Platoon leaders and second lieutenants include Mark S. Hurm, Newark.

Lemon As Salt Substitute Cited By Mrs. Whittaker

The clean tartness of fresh lemon makes it an excellent salt substitute, says Mrs. Marjorie Whittaker, foods and nutrition specialist at the University of Delaware. It is one of the dieter's best allies when the doctor says, "Put away that salt shaker."

Use lemon juice "to taste." Some

foods, such as fish and seafood dishes, leafy greens, fruits and fruit juices, and hot or cold tea demand

a generous wedge of lemon as a garnish. Use lemon juice more sparingly—

just a little squeeze—in sauces with salads; over broiled fish; a meat stock base over chicken to applesauce. Mrs. Whittaker be broiled; in chicken and seafood gasts.

Delaware "Pulaski Day" Proclaimed By Governor

In proclaiming Sunday, Oct. 11 as "Pulaski Day in Delaware," Governor J. Caleb Boggs this week urged all Delawareans to "join with those whose forebears were of the same origin as General Pulaski and pay tribute to the memory of this valiant soldier and lover of liberty."

In his proclamation, the chief executive pointed out that "we, as Americans—and particularly as citizens of one of the original 13 colonies—owe a great debt of gratitude to those who voluntarily crossed the Atlantic Ocean to stand by the side of our forefathers in their fight for freedom."

Governor Boggs particularly cited the services of General Casimir Pulaski in battles and skirmishes that helped preserve the then newly established State of Delaware.

They will come out into the sunshine about the middle of June, as beetles, and start on the new roots you will be babying along to replace the ones the beetles got last year.

Dr. Bray said the entomology department made a major attack on the beetles in the late 1950's by spreading milky disease spores in several spots in the state. The spores lived in the soil and spread out controlling beetles fairly well. The spores were checked shortly after World War II and were doing well.

Dr. Bray had a parting thought for those who prefer to spend their fall weekends watching baseball and football on TV and reading the Sunday paper while complaining bitterly about those blankety blank Japanese grubs out there in the lawn.

The fight will go on without you, he said. The skunks, robins, sparrows and especially the starlings, will continue in their relentless battle against Japanese beetles.

Hockessin Fire Company will hold its first annual banquet for members and their wives, Saturday evening in the fire house.

The Society of Friends at Hockessin elected officers for 1960 last Sunday. They are: Lewis L. Palmer, clerk; Mrs. George Pope, assistant clerk; Mrs. John H. Dennison, recorder; and Thomas C. Marshall, Jr., treasurer.

Representatives chosen to attend the quarterly session of Western Yearly Meeting on Oct. 17 at New Garden, Pa., are Mrs. Edward Hannum, Mrs. Lewis Palmer, Mrs. George Buffing-

ton, Mr. and Mrs. Joseph Mitchell, Mr. and Mrs. Paul W. Mitchell.

The social service committee will sponsor a baked goods sale this Saturday at 9 a.m. at the Acme in Kennett Square, Pa. Mrs. Palmer is chairman.

Harmony Grange celebrated Booster Night by presenting silver star certificates to five members for 25 years of continuous membership, and having State Master Paris Kirby and his wife, as guests. Thomas Jarrell, master, welcomed the guests and visiting juveniles as Harmony youth unit aided with the program.

The National Master's message was read by Past Master Edward Naudain.

State Master Kirby announced the annual presentation of the sixth degree on Oct. 20 at Dover and recognized Norman Dempsey, state deputy.

Mrs. Joseph Mitchell presided for the literary program; Patty Ball played a piano solo; Mrs. Anna Riblett sang, accompanied by Mrs. W. H. Naudain; and Mrs. Frank Cooper gave a monologue.

Twelve youth and juveniles gave a special drill directed by Mrs. Calvin Ball, and a skit was presented by Mrs. Walter Gregg, Mrs. Harold Navel, Chipper Navel, Vicki Ball, George Parris, Jr., and Mr. Jarrell.

Attendance awards were received by Norman Dempsey, Raymond Lindell, Green Stephenson, Mrs. Henry P. Wilson, and Mrs. Marvin Klair.

Grangers were requested to remember William B. Pennington, a patient in the University of Minnesota Heart Hospital, Minneapolis 14, Minn. He celebrated his 30th birthday last Friday.

New Castle County Pomona Grange officers conferred the fifth degree on a class of 11 candidates last Wednesday evening in Harmony Grange Hall. Five of the group were from Harmony and the others were from Peach Blossom, Central, and Pender.

Harmony Juvenile Grange elected officers for the year last Friday. They are: Rodney Derickson, master; Richard Stoutland, overseer; Linda Farmer, lecturer; Craig Stephenson and Bobby Pierce, stewards; Martha Craig, chaplain; Vicki Ball, treasurer; Christine Stoutland, secretary; Stevie Blevins, gatekeeper; Pomona, Lydia Brown, Flora; Alene Pierce, lady assistant steward; Lynn Naudain, Herbert Cornelius, and Tony Donovan, executive committee.

Officers will be installed Nov. 6. The next square dance will be held Oct. 16.

St. John the Evangelist Catholic Church at Hockessin will have a tridium in honor of Our Mother of Perpetual Help this Sunday, Monday, and Tuesday. Forty Hours' Devotion is planned for Oct. 25, 26, and 27.

Ronald McLucas of Hockessin, a 1959 graduate of Conrad High School, is enrolled as a freshman at National Agricultural College, Doylestown, Pa. He is the son of Mr. and Mrs. Meredith McLucas.

Mr. and Mrs. Rodney Reed of Newark, expect to move into their new home on Limestone Road, Oct. 15. The ranch-type brick home is located on the former Kelly property and is almost completed. Landscaping of grounds and driveway is in progress.

Mr. and Mrs. Winfield Twitchell, 3808 Mill Creek Road, are being congratulated on the birth of a daughter, Sept. 27. The baby has been named Bernadine Eva.

Ebenezer Methodist Church
Table hostesses for the annual chicken and oyster supper to be served this Saturday at 4 p.m. in the church social hall for the Women's Society have been announced by Lora Little, dining room chairman. They are Mrs. Robert Woodworth, Mrs. Clifford Leona, Mrs. Norman Whitman, Mrs. Harry Nelson, Mrs. Melvin Dempsey, Mrs. George Mills, Mrs. John Donovan, and Mrs. Ferris H. Dempsey.

A bazaar is being inaugurated this year. It will be held in the church house starting at 1:30 p.m. There will be booths with home-made baked goods, arts and crafts, attic treasures, plants, jewelry, and other novelties for Christmas gifts. Mrs. Richard La Fountain is in charge of arts and crafts, in place of Mrs. Leona Hag.

The Booster Circle will hold a covered dish supper at 6:30 p.m. next Monday at the home of Mrs. Ferris Dempsey on Churchman's Road, preceding the October meeting. Mrs. Norris Greenplate will have devotions.

This evening, the Rev. W. F. Robinson, pastor; Daniel Harris, lay leader; and Norris Greenplate, president of Men's Club, will attend the Laymen's banquet at St. Paul's Church, Wilmington.

Amity Circle will meet next Wednesday at 10 a.m. with Mrs. Clarence Nelson, 7704 Old Capitol Trail. Next Wednesday at 8 p.m. the commission on missions will attend the

seminar at Asbury Church of Wilmington Manor.

Of local interest is the announcement of the engagement of Miss Barbara Ann Gregg, daughter of Mrs. Anson Gregg and the late Mr. Gregg of Old Wilmington Road, to Richard G. Klair, son of Egbert S. Klair and the late Martha G. Klair of Limestone Road. Both are graduates of Conrad High School. She is employed by Hercules Powder Company and he, the Diamond State Telephone Company.

A wedding announcement of interest to this area is that of Miss Gloria Lambert, only daughter of Mr. and Mrs. Ralph Lambert of Cleveland Heights, and Jan Woodward Klair, son of Mr. and Mrs. Ralph I. Klair of Brookhill Farms, Hockessin which took place Sept. 16. The Rev. George T. Jamieson officiated.

The bride is a June graduate of Conrad High School and the bridegroom, of West Nottingham Academy. The couple will reside in Newport, R. I. where Mr. Klair is stationed with the U. S. Navy.

Limestone Presbyterian Church
The following were received into

church membership at world-wide Communion Services last Sunday: Mr. and Mrs. John L. Husted, Mr. and Mrs. Keith D. McGowan, Mr. and Mrs. John R. Mendenhall and son John Richard, Mr. and Mrs. Lennis Shafrenak.

FIRE PREVENTION — YOUR JOB

Fatal fires are not accidents. They happen when small fires are left alone in a home, when someone drowns off a lit cigarette in hand, when a portable oil stove is tipped over, or because of rubbish in cellars and attics. It's simple things like these that again and again cause the deaths from fire, Newark Fire Marshal Bill Donahue said this week.

If the equally simple rules of fire safety are observed everywhere, we can practically erase our present record — about 11,500 lives lost to fire each year in the United States and about 600 in Canada, plus tens of thousands more burned and disfigured. The principal victims are people and children. Fire Prevention is everyone's job every week of the year. Accepting and acting on this fact is the most important message of Fire Prevention Week.

Traditionally, Fire Prevention Week each year is the calendar week including Oct. 9, anniversary of the Great Chicago Fire of 1871. It is observed at the same time in the United States and Canada by proclamation of the President of the United States and the Governor-General of Canada. Fire Prevention Week actually dates back to Fire Prevention Day which was inaugurated and first observed throughout the United States on Oct. 9, 1911. It began when the Fire Marshals' Association of North America (now a part of the NFPA) suggested that the 40th anniversary of the Great Chicago Fire be set apart for bringing before the public the much-needed lesson of fire prevention.

Navy Notes — Assignment Asmara
Flight—Dhahran and on to Asmara
By William P. Mote

A graduate of Newark High School, Class of 1957, Navy Radioman Bill Mote, son of Mr. and Mrs. William F. Mote, Newark, is stationed at Asmara, Africa, 65 miles from the Red Sea. His articles concerning Navy life will appear from time to time.

We were up before light and off to the show hall for an early breakfast. Then it was time to leave all the friends we had made on the flight. These men would return to their countries as teachers in military schools.

We were assigned to an old C-47 plane but at the last moment we were reassigned to a more comfortable C-54. Then disaster struck. My passport could not be found. I waited as officials hunted to locate it. Time for take-off came and went, and then a man rushed up with my precious green book and I raced out the door into the 100-plus heat.

The Arabs looked at me as if they thought I were crazy as I dashed across the ramp and down the field. The plane had been held up because a French ship had to make an emergency landing, and I climbed aboard, fell into a canvas seat and strapped in.

Several moments later we roared down the field, into the air—made one circle over the Persian Gulf, then headed southwest towards Asmara. At 10,000-ft our plane was not pressurized and I was quite sleepy. We hit a few bumps and I went up in the radio shack and monitored the circuit for awhile. Then we passed over the coast and were over the Red Sea.

It took but a short time to cross the Red Sea but it seemed like forever. Nearing the end of our trip,

Course In Drama
Offered At YWCA
By Mrs. Watson

The arts are being emphasized this fall in classes for junior high school students at the Alice P. Smyth YWCA Center, in Newark, with "Introduction to Acting" taught each Tuesday from 3:30 until 5 p.m. by Mrs. Thomas Watson, who received her BA degree from Vassar and her MA at the University of North Carolina.

She was assistant director of Playhouse School at the Henry Street Settlement in New York for a year, and for two years directed the Young People's Theatre at the Walt Whitman School. While living in Michigan, Mrs. Watson directed the Kalamazoo Civic Theatre.

Sharing her interest in the theatre is her husband Thomas Watson, who has been with the dramatic arts and speech department at the University of Delaware since 1953.

The couple played summer stock for two seasons in New York. Mrs. Watson is a member of the University Drama Group where she appeared in the "Plough and Stars" and "Detective Story," and directed the winning one-act play at the Delaware Dramatic Association Play Festival this year.

The aim of the drama course is to first get rid of self-consciousness, which includes all attitudes between the extremes of the shy and show-off. The approach is through a variety of exercises in concentration and relaxation. At the same time the imagination is put to work.

Mrs. Madsen Aids YWCA
With Lampshade Making

Creating lampshades from silk, punched paper or parchment has been a hobby of Mrs. H. P. (Betty) Madsen of Orchard Hill Farm, Newark, since she took a course with a home demonstration club when she moved to this area almost 12 years ago.

Soon Mrs. Madsen was teaching AAUW craft groups. She became a member of the YWCA in Wilmington and was a member of the board for several years.

Mrs. Madsen teaches a class in lampshades at the Alice P. Smyth YWCA Center on Tuesdays from 9:30 to 11:30 a.m.

Mrs. Madsen is a graduate of Oklahoma State University with a bachelor of science degree in commerce.

After crosses and losses men grow humbler and wiser.

lowlands, and the next, low over the highlands. We didn't go down to land—the land came up to us. The fields we passed over were terraced and looked dry and rocky. Then we came over Asmara. It looked very neat and nicely laid out from the air.

We came in on the runway with a hard bump and taxied to a stop near the hangars. An official picked up our passports and we jumped out on to the runway. A baboon ran by and I began to wonder just what I was in for.

Then we piled into an Army bus and rushed off to the base—on the wrong side of the road—and at the Army post, the Navy picked us up and took the three of us to the

WHAT'S NEW FOR '60 ?

More room
inside
...without
raising the
roof or
stretching
the car

and wider doors you
can step through
rather than
squirm through

1960 cars from Chrysler Corporation are no higher or longer outside, but you get more room inside. The reason? Unibody Construction—our new way to build cars.

Here are 1960 cars that are no higher, no longer than last year's, but they give more room inside.

The secret is UNIBODY—a new
kind of construction

These cars are all one piece. We got rid of the old idea of a bulky body and frame bolted together. Unibody Construction let us do things we couldn't have done before. We lowered the floor and made the inside really spacious. We widened the doors and made it easier to get in and out.

There have been other cars with "unitized" construction, but these were a far cry from Unibody. They telegraphed all kinds of noise and road shock in to where you sit.

UNIBODY surrounds you with
silent strength

The new cars from Chrysler Corporation are quiet. So quiet, it seems you're going ten miles an hour slower than you actually are.

When you open the door, the seat swivels out—automatically.

We licked the problem of road shock and noise—before the first car was ever built.

How? Through new methods of electronic engineering—the same type of engineering that Chrysler Corporation uses as the only auto maker building complete ballistic missiles for the U. S. Army.

Complex electronic computers made calculations in a few weeks that would have taken an engineering staff years of full-time work to figure out. They showed us exactly where to weld our cars together. Result: the strongest, best-built cars ever made, with twice the torsional strength of previous models and 40% more beam strength; cars that can't squeak or rattle from joints, bolts, and nuts that aren't there any more.

And, one other thing: we've got a new way of mounting the engine. There's a rubber shelf that soaks up high-frequency noises. And a specially mounted heavy duty spring that reduces noises in the low-frequency

around the world ended. What lies ahead is now the question. I am prepared to like this place.

It will be very different from Delaware, of that I am sure, but at any rate, I am here at last.

Pure automobile
—new from the inside out

These are the all-new ones for 1960! With more news in them than you've seen in years.

Wider doors make it easier to step in or out—graciously.

Imagine an automobile... —that looks pure automobile... newly styled with natural lines of motion. —that could last twice as long as ever before. —that so reduces air drag it's like buying gasoline a cent a gallon cheaper. —that will be virtually free from rust and corrosion years longer. —with doors that lock when the engine starts. —with washable, durable, long-lasting upholstery that makes seat covers obsolete. —that performs in wonderful quiet, not just when it's new, but through all the years of its longer life. A car with size that's for use—not just show.

Pure automobile—built to be what you want a car to be. You'll know that the moment you see one. You'll know it even more the minute you take the wheel. They're coming soon. Watch for them.

UNIBODY Construction: frame flows into the body, makes it twice as strong, twice as quiet—surrounds you with silent strength.

Mr. and Mrs. Larry Ray Wildermuth

Miss Harriet Beverly Wagner, daughter of Mr. and Mrs. Harry B. Wagner, of Newark, became the bride of Mr. Larry Ray Wildermuth, son of Mrs. Mabel Wildermuth, of Newark, on Saturday, Sept. 19, in the Newark Methodist Church, with the Rev. John J. Bunling officiating.

Escorted by her father, the bride wore a floor-length gown of champagne lace and nylon tulle over tulle. The portrait neckline was outlined in scalloped tulle and ribbons in pinks and baby pinks. The bouffant skirt of tulle over ruffled net had a lace overskirt of the scalloped lace. She carried a bouquet of white carnations and roses surrounded by a white orchid.

The bride's sisters were her attendants. Miss Jeanette Wagner was maid of honor. Mrs. David Dean and Mrs. James Prettman were bridesmaids.

Miss Debra Dean, niece of the bride, was flower girl and Master

Cubs Hold Regatta At Stanley's Pond With Model Boats

Stanley's Pond was the scene of a sailboat regatta last Saturday for Cub Scouts Pack 352 of St. Andrew's Presbyterian Church.

Boys and their parents had made and painted sailboats from balsas kits. Chairman Horace Bomar and Pierce Houghard placed the boats in the center of the pond, and the first boat to hit shore was the winner.

Five heats were run, and the winners were Joe Odenaker, Mike Sylvester, Randy Hughes, Mike Shellington, and Dick Fillingame.

Second place winners were Bulch Marshall, Greg Kammer, Billy Shorkey, Danny White, and Eugene Shorkey.

Finally, all boats were started from the center of the pond in a free-for-all, with grand prize winners Terry Mulkins, Corky Houghard, Jimmy Dorman, and Mike Sylvester.

Rare Odessa Day Planned Oct. 11 With Open House

An unusual event will take place on Sunday, Oct. 11, which the Community Association of Odessa has chosen as a date for its rarely held Odessa Day.

The first since 1956, fall weather and foliage will tempt numerous visitors to attend opening service at Old Drury's Church at 11 a.m.

From 12:30 to 5 p.m., Odessa citizens will open their homes and gardens to the public. Shown in special exhibits will be records of the town's past when it was called Apogonimie in the 17th century, and Cantwell's Bridge in the 18th.

The Henry Francis du Pont Winterthur Museum will formally open its recently acquired gem, the Corbit House on that day.

Odessa's present Museum, the David Wilson Mansion built in 1769, will be the beneficiary of the day's events.

PRESENTING FOR 1960... BUICK'S ALL-TIME BEST

THE TURBINE DRIVE BUICK '60

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today. A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

New comfort, quietness, and quality
Doors that open wider—easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

New interior decor and convenience
An entirely new "Mirromagic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option—the Twilight Sentinel!—that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments. *At slight extra cost.

Outstanding performance with economy
1. Buick's Exclusive Turbine Drive Transmission is jet-smooth, responds faster, more economically than ever. No gears ever shift while the car is in motion.
2. Buick's Exclusive Air-Flo Aluminum Drum Brakes—found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.

Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 15" size which gives you up to 1/3 more "tire life.")
3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)
*Optional at extra cost on LeSabre, standard on Invicta and Electra.

Fullback Bob Burton Runs For Two TD's In Opening Period As Newark Wins 21-6

The Blue Hen Conference Football Champions of Newark High School pounded out a 21-6 victory over P.S. duPont's Dynamiters in Wilmington last Saturday, with Fullback Bob Burton scoring the first two touchdowns for Newark with payoff plunges of 35 and 19 yards in the opening period.

The victory was the second in consecutive weekly outings for Coach Bob Hoffman's Yellowjackets in an undefeated season, and stretched the Newark victory string to a total of 15 straight over the past three years.

The Yellowjackets met the powerful Green Knights of Mt. Pleasant in a Newark home stand this Saturday, with game time scheduled for 2 p.m. The Knights, who share the lead in the Blue Hen Conference race, wallowed Lord De La Warr High by 28-6 at Colwyn last Saturday.

Bob Hoffman, who succeeds Don Miller for his first year as Newark head football coach said he was "real pleased" with the Yellow-

jackets in the first half of the P. S. duPont game, but expressed dissatisfaction with their play in the last half. The Yellowjackets held a 21-0 lead at intermission.

Dick Pacaroni, P. S. duPont mentor, said his Dynamiters "just didn't play our kind of game in the first half. We didn't make any defensive changes in the second half and played much better."

Lloyd Wells, running at halfback with the second Newark backfield, tallied the Jackets' third touchdown on a 42-yard gallop. Chisney converted all three extra point tries.

Marshall Saunders, Newark halfback, broke away for a 70-yard run, but was brought down from behind by Jake Getty.

Getty was P. S. du Pont's best ball-carrier. He scored the Dynamiters' touchdown in the last quarter on a two-yard plunge.

Outstanding linemen included Newark's Co-Captain and Tackle Mottly Jackson, with Fred Williams and P. S. du Pont's Don Burge.

Daily 8-5:30 Sat. 8-NOON

Brandon Davis, former center

fielder for the Pittsburgh Pirates,

and now a member of the Los

Angeles Dodgers organization, a

player-manager, stopped at the

Newark Post on his return from

Great Falls, Mont., with a pair of

beautiful silver salmon trout—still

frozen and fresh from the Montana

mountain streams where the former

Yellowjacket and Duke University

star athlete had taken them after

piloting the Great Falls Electric to

a first division berth in the Class-

C Pioneer League.

"The fishing out West is wonder-

ful," Brandy said. "The streams are

full of trout, and there are plenty of

streams—without many fishermen.

"And Montana is real big game

country," Brandy continued. "Elk,

Rocky Mountain goat and sheep,

deer, and bear. My landlord gave

me some elk steaks to take home—

from an elk that he had shot him-

self."

But few of us appreciate a good

thing when we have it. While

Brandy Davis was playing baseball

and managing the destinies of the

Electric at Great Falls—and fishing

whenever the opportunity pre-

sented itself—he was wistfully

thinking of the pickerel, perch and

last fishing back home in Dela-

ware.

A silver salmon trout is a new

one on us, but that's what they

call 'em in Montana. The trout

weighed close to two pounds, and

looked like silver rainbows. But

Brandon had a photograph of these

along with a real rainbow—and the

rainbow trout in the picture was

much darker, with the characteris-

tic multi-colored streak along the

flanks.

Brooks, browns, rainbows, cut-

throat, Dolly Varden, golden, and

lake trout cover the plan to the

best of our knowledge, with the

sea-going rainbow or steelhead

trout in, but something new has

been added with silver salmon trout.

Anyway, they were beautiful—

and they ate as good as they looked,

too.

Dave hunting last Friday after-

noon with Joe Maroushek near Bear,

and with young Lindsey Reynolds

and Little Bill, we saw six scattered

doves, and failed to fire when the

one shot of the day presented itself.

The dove whistled over the near-

by hedgehog as we stood talking

with Genial Joe—the automatic in

one hand, and a cigarette and a

seckle pear in the other.

In the split second while we were

deciding whether to shoot the ci-

garette, eat the pear or smoke the

seckle pear, the dove rocketed out

of range—and the one chance of the

evening was gone.

Last Monday evening on the Rich-

ards farm out New London Road

with young Billy Richards and our

own gun-bearer from home, we

came perilously close to violating

the migratory bird law and in-

fluencing a couple of young hunters

for the worse.

Injured Broadbent Likely As Starter In Saturday Clash

Dick Broadbent, Delaware's star end, may be ready for the Middle Atlantic Conference contest at Lafayette on Saturday.

Coach Dave Nelson said yesterday that the junior's ankle "looks pretty good and he might play."

The big junior wingman out of Conrad High injured his right ankle early in last Saturday's game at Massachusetts.

Nelson disclosed that Bob Johnson, former P. S. du Pont High lineman, has moved up to a second-string guard berth, replacing Otto Fad. Johnson is paired with Dick Pelouquin at the guards, playing behind Leon Dombrowski and Jim Garvin.

Nelson also said that Don Tripodi has gained a second-string tackle job where he is paired with Ray Klapsinsky.

John Mordas and Mike Boyd are the starters.

At sunset, without having shot a dove, we were standing in a cantaloupe patch with the 11-year-old Nimrods when a wild honking drifted in with the shadows, and a great flock of some 30 Canada geese dove low over a ridge and right over our stand in the field.

It was a memorable last call—but we watched 'em fly over and on into the gathering dusk—without firing a shot.

That's probably a lot closer to a goose than we'll get after the season opens next month.

All ladies will be admitted free on "Mrs. Delaware Night" at Harrington.

Halfback John Bowman Gains 206 Yards As Blue Hens Beat Massachusetts 42-12

John Bowman, senior halfback from York, Pa., put on the greatest offensive show of his career and one of the all-time great Delaware performances, totaling 206 yards rushing and passing as Delaware demolished the University of Massachusetts gridders at Amherst before 4,500 fans last Saturday, 42-12.

Bowman compiled 189 yards on the ground, playing only three quarters of the game, as Coach Dave Nelson cleared his bench. The first time Bowman got his hands on the ball, he stroked for 47 yards to set up the Hens' first touchdown on the Massachusetts 15.

He later went for runs of 27, 18

and 15 yards and scored on a reverse in the third period from the 26.

He piled up his yardage in only 15 carries. The Delaware individual rushing record for a single game is 229 yards by Gerald (Doc) Doherty, in 1946 against Gettysburg.

Delaware scored three minutes after the opening kick-off on an off-tackle run by Tony Suravitch from the 15, and Quarterback Pellegrini passed to End Dick Broadbent for the conversion.

Pellegrini passed to Suravitch for the second score the next time Delaware gained possession. After taking the ball on their own 34, the Hens moved to the Massachusetts goal on eight plays, covering the last 25 on the pass.

The Hens' Bob Reeder recovered a fumble and Delaware rolled to five first downs and a score with Pellegrini's sneaking over from the 15, and Quarterback Pellegrini passed to Suravitch for the two-points.

The Redmen got going in the second period against the Delaware reserves, moving from their own 45 yard line, and Halfback Bill Reynolds went through the middle for the Redmen's first score.

Nelson recalled his first team and six plays later the Hens led 28-6 with Jack Turner scoring on a reverse from the eight.

In the third period, Bowman made his 26-yard run for a touchdown, and a Turner to Suravitch conversion pass was complete.

The Delaware first string then retired, and the second unit, quarterbacked by Sophomore Fetterman took up where the first had left off. Fetterman hit End Karl Frantz on a 17-yard pass in the end zone for the 42-12 count.

Billiards Tourney Entries To Close Monday, Oct. 19

Entries for the Newark Billiards Handicap Tournament will close Monday, Oct. 19. Promoter Charles "Bunny" Walter announced today.

Trophies will be awarded champions in two classes of tournament play, Promoter Walter reports.

Al Watson is Class-A defending champion, and Bayard Robinson is the defending champion of last year's Class-B play.

"Best We've Had" Duncan Declares Of Frosh Gridders

Newark Touchdown Club Hears "Scotty" Duncan Discuss Freshman Squad

"The best freshman group we have ever had," Coach Scotty Duncan termed the 1959 Blue Chicks in addressing the Newark Touchdown Club luncheon meeting last Monday at the Newark Country Club.

Quarterback Fred Rullo is the best I've ever seen," Duncan declared, enlarging on this with "he has real finesse—can pass 60-yards without effort, at half that distance Rullo's passes have real pop; and he can drop that little soft one when needed."

"He kicks better than anyone we have had, too," Scotty Duncan continued concerning the frosh quarterback sensation.

The freshman mentor and former Washington College and Blue Hen athlete said that the Delaware freshman squad numbers 42, with the linemen averaging an impressive 210-lbs. and the backs, 190.

The Blue Chicks open their five-game card this Saturday at Lehigh with the Engineer freshmen, and will play three home games—with Lafayette, Oct. 23; Rutgers, Nov. 6, and Temple, on Saturday, Nov. 14.

Among the outstanding Delaware frosh gridders, Scotty Duncan cited Newark's Walt Masekay as the Chicks' No. 1 end; "Tex" Crane, a 210-lb. fullback at 6-1 with lots of speed; Ron McCoy, and Carl Lorens.

President Bayard Perry conducted the luncheon meeting.

Program Chairman LeRoy Hill introduced Duncan as the guest speaker, and announced that Tower Hill Coach Bob DeGroat would be the guest speaker for next Monday's luncheon meeting of the Newark Touchdown Club at noon in the Newark Country Club.

Elaine Cannoles Elected Women's Golf Chairman

Elaine Cannoles was elected chairman of the women's golf program at the Newark Country Club for next season, and Florence Kershaw was named golf handicap chairman, at the final luncheon meeting of the season last Tuesday.

In the last Ladies Day golf event of the current golfing year on Tuesday, Dorothy Stiegler won the Powell system play with a 56, while Vera Duff and Hazel Morris shared runner-up spot with 42's.

Delaware To Meet Lafayette On Saturday At Easton In Return To MAC Competition

The University of Delaware football team returns to Middle Atlantic Conference action this weekend by traveling to Easton, Pa., for a game with Lafayette, after defeating Massachusetts in an inter-conference clash last Saturday.

Lafayette poses the biggest threat to date in the Hens bid for university division laurels. Like Delaware, the Leopards have an all-veteran squad returning, with 18 lettermen.

Heading the list of Leopard returnees is captain Don Nikles, fullback, considered one of the finest backfield men in the east. A power-play powerhouse, his battering ram techniques through opponent lines last year won him top honors in the Middle Atlantic Conference.

Halfbacks Charley Barz and Don Westman, are fast and tough veterans who add good blocking power to Lafayette's "drive-T" formations.

Wayne Cipriani, the other part of the Leopard's veteran backfield unit, probably will not see action against the Hens because of a fractured hand. Replacing him as signal-caller will be Merle Bainbridge, two-year veteran with a good passing arm.

In the line, Lafayette Coach Jim McConlogue has all veteran starters, headed by end Don Wooten, All-MAC and All-ECAC choice last year. Wooten, leading punter and pass receiver last season for Lafayette, also was employed as a "lonely end" decoy.

Lafayette's second line is made up of backs in place of a quarterback. Barry Brown, a sophomore, is the only one in the line.

Don Nikles, fullback, who averaged 200 yards in 1958, is the only one in the line.

Special vocal music will be furnished at the morning service by Duncan Anderson, and at the afternoon service by Mrs. Henry A. Phelps, Jr.

A native of Glen Falls, N. Y., Mr. Coon graduated from Erskine Theological Seminary, South Carolina. He held charges in Anderson and Jonesville, S. C., and Avoca, N. Y., before coming to Christiana. With his wife and daughter, Ellen, he occupies the manse in Hillside Heights.

A mid-week Bible study class led by Mr. Coon, will meet Wednesday evening in the pastor's study in the Presbyterian Sunday School house. Mr. Coon and Elder William Cross will represent the local church at a meeting of the New Castle Presbytery at Red Clay Creek Church on Saturday morning.

Members of the women's group who attended the fall retreat for the New Castle Presbytery in Newark last Tuesday included Mrs. Robert Coon, Mrs. Ralph Coe and Mrs. Rhoads Speck.

Awards for perfect attendance were made at Rally Day exercises at the Presbyterian Sunday School last week, as follows: four years—Helen Lynam; three years—Jackie Jones and Danny Rineer; one year, William Cross; nine months—Pamela Bailey and Kent Jones; six months—Mary Bennett and Bonnie Sue Cross; three months—Barry Cross, Rosemary Speck, Betty Hill, Mary Louise, Susan, and Eddie Cumby.

At an evening program on Sept. 27, the Christiana Methodist Church School held its Rally Day exercises, with recitations by members of the kindergarten, primary, and junior departments, and special music directed by Mrs. A. B. Golden. George Cole led the list of attendance awards with 10 years' perfect attendance, followed by his sister, Elaine, with six years. Others were Paul Thorpe, four years; Gary Thorpe, Mrs. Residing, Kathy, Johnny, Nancy, and Carol Redding, two years; Nancy, Becky, and Maggie Ennis, one year.

The Christiana Social will serve a luncheon and chicken dumpling supper at the church on Saturday, Oct. 17. Oct. 18 will be annual Homecoming Day at Salem Methodist Church, when the new fellowship room will be consecrated. Guest speakers will be the Rev. George Pigneron at the 11 a.m. service and the Rev. Jerry Choate at the afternoon service, beginning at 2:30.

About \$370 was realized on the poultry and oyster supper held at the Salem church on Saturday.

Joy Circle met Tuesday afternoon at the home of Mrs. Frank Stafford.

PTA Meets Wednesday
The first meeting of the Christiana-Salem PTA will be held in the all-purpose room of the school Wednesday evening, with Mrs. Olga Graden presiding. Open house, where parents and teachers will have an opportunity to get acquainted will be held from 7:30 until 9 o'clock. Guest speakers will be Mildred D. Ziegler and Leonard A. Marsh of the General Council of the Newark PTA. Refreshments will be served.

Tanglewood parents, whose children are attending the Christiana school until the Robert Galaher School opens, are invited to join and attend this organization until their own PTA is formed.

Mrs. Graden will meet with members of the PTA executive committee at her home this evening. Some 50 persons attended the first week meeting of Christiana Cub Scout Pack 75 in the Methodist Church on Friday, Jon Speck and Tommy Stafford led the flag ceremony.

New Report Card Discussion Topic For PTA Meeting

The new elementary report card in use at the Brookside Elementary School will be the discussion topic at the Brookside PTA meeting next Wednesday, PTA President George Robinson has announced. The meeting will be held at the Brookside School at 8 p.m.

Robert E. Snyder, new school principal, and a panel of teachers will introduce and describe the new reporting system.

The new report card was developed after a year of study by teachers, school administrators, and parents of the Newark school district. New cards will be issued to students beginning this November.

A short business meeting on the annual budget will be held before the report card discussion, and refreshments will be served.

Trip To New York Planned By YMCA

Frank E. Rush, chairman, announced today that the Newark YMCA will conduct a one-day educational trip to New York City on Oct. 22, for boys and girls in grades four to nine, and a limited number of seats will be available for "young in heart" adults.

The group will travel by chartered bus (all reclining seats) to New York where they will visit the SS United States, world's fastest ocean liner, before it leaves for Europe at noon; have a guided tour of the United Nations where they will eat lunch; visit the Empire State Building; and see the Statue of Liberty.

In late afternoon the group will travel by boat to Bedloe's Island where they will visit the Statue of Liberty. They will have dinner en route to Newark, arriving by 9:30 p.m.

Frank Mullen, Newark YMCA executive, will supervise the tour, assisted by other qualified leaders, with one leader per group.

Leaving at 8 a.m., St. Patrick's Cathedral, see plush Rockefeller Center; visit an NBC studio, and go to the top of the Empire State Building.

The trip is being given in response to parents' and teachers' requests for the tour during the two-day school holiday.

Legion Auxiliary Hears Experiences From Girls' State

Members of American Legion Auxiliary Unit 10 met last Monday with Mrs. Jacob Correll presiding, when Brenda Fried and Nancy Burke, representatives from Newark, told of their experiences as members of Delaware Girls' State and expressed appreciation to the Legion Auxiliary for the opportunity to participate in this educational program.

Americanism Chairman Dora Gibb, announced that the Auxiliary would continue its flag project, following the theme "Have and Display The Flag." Miss Gibb asks citizens of Newark to participate in this program and "Let Newark be the first city in the state and nation to have and display our flag from every home."

Mrs. J. Harvey Dickey, child welfare chairman, told of her work in helping outfit needy children for school. She thanked Unit 10 for its contribution of \$30 to purchase shoes.

Mrs. Dickey and Mrs. Harold Sheaffer, rehabilitation chairman, will attend a luncheon meeting this Saturday at the University Club in Wilmington, given by Mrs. William N. Cavin, rehabilitation chairman for the Department of Delaware, to outline plans for Auxiliary members in their rehabilitation program for disabled veterans.

FIRE PREVENTION WEEK, 1959

A PROCLAMATION

WHEREAS thousands of Americans lose their lives each year from fires that could be prevented; and WHEREAS great social and economic losses to our city result from the destruction of homes, business, enterprises, industries and natural resources;

THEREFORE, I FRANK M. DURNALL, Mayor of the CITY OF NEWARK, do hereby proclaim the week beginning Oct. 4, 1959, as Fire Prevention Week.

I call upon all departments and agencies of the city government to participate actively in a campaign for improved fire safety. The fire department and the schools of our city can provide effective leadership in the activities of Fire Prevention Week, and I urge them to work with the Chamber of Commerce and other organizations for a successful program.

I earnestly request every citizen of the community to take part in relieving hazardous conditions and making our city a safer community in which to live and work.

In WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the CITY OF NEWARK to be affixed.

DONE in the City of NEWARK, this 22nd day of September, nineteen hundred and fifty-nine.

Frank M. Durnall, Mayor

Charm School Director To Address Sisterhood

Mrs. Harry Dudley, director of the Nancy Taylor Charm and Modeling School of Newark, will be the guest speaker for the Newark Jewish Community Sisterhood next Tuesday at 8:30 p.m. at 38 Carole Road, Chestnut Hill Estates, Mrs. Fay Shatzkin reports.

Mrs. Dudley received her diploma at the Barbison School of Modeling, New York City, and taught there for several years.

Hostesses for the evening will be Mrs. Milton Altshuler and Mrs. Marv Blumberg.

Chief Cliff Knotts Urges Precautions To Prevent Fires

Chief Clifton Knotts has announced the fire department's co-operation with other civic groups in using simple precautionary methods to prevent many damaging fires.

The Aetna fire chief, discussing replacement costs, said that "even in small fires, where the firemen are able to confine the flames to one room, it costs property owners two to three times as much to refurnish the burned-out areas as it did 10 years ago."

Chief Knotts particularly emphasized the following points: "Great damage to our city is caused by rubbish fires. If we remove the rubbish from our cellars, attics and closets, fire losses will come down and many alarms will be eliminated."

"Buildings classified as conflagration hazards should be protected by automatic sprinklers. Such installations will pay for themselves out of savings in insurance premiums, and as a result, our conflagration losses will be reduced."

tion areas will be eliminated. "Basement fires are the hardest to fight. Firemen have difficulty fighting their way in and often do not know what the conditions will be when they reach the basement. Since a large percentage of all business fires originate in basements, if these also were protected by automatic sprinklers, our country's nearly one billion dollars in fire losses would be greatly reduced."
